His Witnesses Impeach Those Who Saw Him Approach Kreichbaum's Farm.

EVIDENCE IN MURDER CASE NEARLY ALL IN

Defendant Accounts for His Whereabouts on Every Hour on the Day When the Crime is Thought to Have Been Committed.

BLOOMINGTON, Neb., March 13 .- (Speciai Telegram.)—The case of W. S. Cole, charged with the murder of J. P. Kreichbaum December 2, was resumed at 9 o'clock this morning. George Taylor was the first witness called. He said that Cole came to his house between 4 and 5 o'clock on the afternoon of December 2 to engage W. was at Taylor's, corroborated his testimony. This is the same period in which several witnesses for the presecution testified to seeing Cole going toward Kreichbaum's

E. T. McNees said on his road to church on December 2 he called at Tooman's house and talked with Cole while the latter was feeding the stock. He knew this was the date because he kept a diary and the book was offered in evidence.

The next witness was Miss Wilma Tooman, who stated that while on her way from school about 4:30 o'clock on the afternson of December 2 she saw Cole going toward Taylor's house, which is half a mile from her bome. And while she was getting a bucket of water a short time later have no money, get one in The Bee bicycle she saw Cole talking to E. T. McNees, Although she is only 13 years of age she stood a most rigid cross-examination. Roy Tooman, who was called next, said bat Cole on the morning of December :

old him he was going to George Gestford's seven miles south of Bloomington to rent a farm. He returned at 2 o'clock for medicine for the sick baby. Cole was son in April, 1894. He was born in 1858. Mrs. Tooman followed her son, testify
